

## **“Teaching” a Transmitter to talk to a Trackporter**

Start with both the Transmitter and the Trackporter powered OFF

Push and hold the power button on the Transmitter until it says “Teach Mode” on the screen (*Roughly 10 seconds*)

Press “Aux” and you’ll be prompted to:

Turn on power switch on the Trackporter

Press “Aux” on the transmitter to Exit out of the “Teach mode”

Your Transmitter should “talk” to your Trackporter.
